### § 592.9 Forfeiture of bond.

A Registered Importer is required by § 591.6 of this chapter to furnish a bond with respect to each motor vehicle that it imports. The conditions of the bond are set forth in § 591.8 of this chapter. Failure to fulfill any one of these conditions may result in forfeiture of the bond. A bond may be forfeited if the Registered Importer:

(a) Fails to bring the motor vehicle covered by the bond into compliance with all applicable standards issued under part 571 and part 581 of this chapter within 120 days from the date of entry;

(b) Fails to file with the Administrator a certificate that the motor vehicle complies with each Federal motor vehicle safety, bumper, and theft prevention standard in effect at the time the vehicle was manufactured and which applies to the vehicle;

(c) Fails to cause a motor vehicle to be available for inspection if it has received written notice from the Administrator that an inspection is required;

(d) Releases the motor vehicle before the Administrator accepts the certification and any modification thereof, if it has received written notice from the Administrator that there is reason to

believe that the certification is false or contains a misrepresentation;

(e) Before the bond is released, releases custody of the motor vehicle to any person for license or registration for use on public roads, streets, and highways, or licenses or registers the vehicle, including titling the vehicle in the name of another person, unless 30 calendar days have elapsed after the Registered Importer has filed a complete certification under § 592.6(d), and the Registered Importer has not received written notice pursuant to paragraph (a)(3) or (a)(4) of this section. For purposes of this part, a vehicle is deemed to be released from custody if it is not located at a duly identified facility of the Registered Importer and the Registered Importer has not notified the Administrator in writing of the vehicle's location or, if written notice has been provided, if the Administrator is unable to inspect the vehicle, or if the Registered Importer has transferred title to any other person regardless of the vehicle's location; or

(f) Fails to deliver the vehicle, or cause it to be delivered, to the custody of the Bureau of Customs and Border Protection at any port of entry, for export or abandonment to the United States, and to execute all documents necessary to accomplish such purposes, if the Administrator has furnished it written notice that the vehicle has been found not to comply with all applicable Federal motor vehicle safety standards along with a demand that the vehicle be delivered for export or abandoned to the United States.
